

Thermojetics® Beige

Making Weight-Loss a Win-Win Situation

Can you imagine eating your favorite foods and losing weight at the same time? Thermojetics® Beige Herbal Tablets are formulated to take the guesswork out of losing weight while letting you shed unwanted pounds safely and effectively.

Scientifically prepared from a select blend of herbs and botanicals, Thermojetics® Beige Herbal Tablets are the solution for the discouraged dieter who has watched the scale jump up and down to no avail. This quickly absorbed supplement, taken twice daily, will put an end to the yo-yo syndrome once and for all while letting you enjoy the foods you love.

Thermojetics® Beige Herbal Tablets are designed to be taken in combination with Thermojetics® Green Ephedra Free Tablets, Thermojetics® Green or Thermojetics® Original Green. Together these supplements provide the energy boost you need to get you through the day while enhancing your body's ability to control appetite.*

Discussion Points

- Optimal nutrition: Thermojetics® Beige is designed to help you receive maximum nutrition from your food.*
- Au naturel: Formulated from a select blend of herbs from China and the Amazon, as well as other botanicals, Thermojetics® Beige is rich in natural ingredients that help energize your body's cells.*
- Results producing: Thermojetics® Beige has helped millions of people lose weight since the product was first introduced in 1992.*
- Combine with other products: Thermojetics® Beige can be used in conjunction with the Thermojetics® Weight-Management Programs and Herbalife's entire line of nutritional products.

Did You Know?

Also known as lucerne, alfalfa is actually a member of the pea family. It can be found growing in Asia and the Mediterranean, and is a popular food when served in sprout form. Herbal benefits of this herb usually are derived from the dried leaves of the plant. Alfalfa has been shown to be beneficial in connection with menopause and other health issues such as appetite control.

Fast Facts

- Best taken in combination with Thermojetics® Green Ephedra Free Tablets and a low-calorie, well-balanced diet.
- Easy to swallow tablets.
- Contains no preservatives or animal products.
